## March 24<sup>th</sup>, 2020

Following the guidelines set by the Whatcom County Health Department, the Center for Disease Control and the World Health Organization, and because the health and safety of our members is of the highest priority, the GLC Board of Directors has implemented the following, to insure the safety of our members and our community.

### Effective Immediately

- All activities scheduled for the Clubhouse through April 27, are cancelled. This includes, but is not limited to ...
  - GLC community events
  - Scheduled member reservations
  - Ongoing groups (Bunko, Girls Scouts, etc.)
- The fishing derby has been cancelled.
- The GLC office will be closed through April 27th, but staff will continue to work regular office hours. The staff may be contacted by email if members have questions that need an immediate answer.
- As always, bills can be paid using the drop box outside the office, by credit card on our website, or mailed to the GLC office.
- The April 4th A&Z Committee meeting will be canceled.
- The GLC Board of Directors will re-evaluate on April 24th and update members as to any further cancellations or changes.

The action taken by GLC is in keeping with the guidelines issued by Gov. Inslee on Monday, March 23.
