

**Policy 20-03-01**

**WATER AVAILABILITY POLICY**

Glenhaven Lakes Club

March 9, 2020

**DEFINITION:** The Board of Directors recognizes and acknowledges their responsibility as outlined in their Governing Documents to provide water to all members. The Board, therefore, has established the following policy in as it applies to issuance of a Water Availability form.

**PURPOSE:** As stated in the Amended and Restated Articles of Incorporation of Glenhaven Lakes Club, the organization is “directed to provide water to its Members subject to limitations due to water pressure, water availability, maximum water rights and appropriations and applicable law”.(Article III, Sect. 1)

**POLICY:** When applying for a Water Availability Form in Glenhaven, a property owner must show proof of an engineered septic design, as well as house plans that will be submitted to Whatcom County along with the Water Availability Form. **The Water Availability Form expires ONE YEAR after the PWS signature date.**
