Resolution Regarding Sprinkler/ Excessive Water Use Ban

95-07-11

Resolution Approval Date: July 8, 1995

The Water System Manager for Glenhaven Lakes Club, Inc. is given the authority by the Board of Directors to impose a sprinkling or excessive water use ban during times when he deems there to be reasonable reason to impose such a ban. At that time, signs will be posted at the entrances of Glenhaven informing members of the Ban.

If a member is observed to be violating the ban, the water manager or any member of the A & Z Committee or the Board of Directors may approach the individual and inform him or her of the ban.

If the member refuses to comply with the sprinkling ban he/ she may be sent a notification of an infraction, and a \$50.00 fine per day of violation may be levied against his/ her account.
